

ADVOCATE

We have sinned... still...

We long to know
The gracious Christ who loves us so
May our cheeks know shameful blush
Blossom with a crimson flush
and godly sorrow.

We sin... still...

We dare to do
Some things the Good Lord tells us to
And though we struggle still at length
We long for God to give us strength
and peace

We will sin... still...

We won't take flight
We'll not give up without a fight
We'll not let go until we're blessed
We'll gladly limp with all the rest
into glory

"That you may not sin..." still...

If we do there is some one
Who challenged sin and death and won
And now he stands for us to speak!
On our behalf, the faithful weak
and lead us home.

"My dear children, I'm writing this to you so that you will not sin.
But suppose someone does sin. Then we have one who speaks to the Father for us.
He stands up for us. He is Jesus Christ, the Blameless One..."
