

ENOCH

“Enoch walked with God...”
His faith—proficient
He did not die
That’s all we know
It is sufficient
The greatest epitaph ever written...
...and him with no tombstone!

“It was by faith that Enoch was taken to heaven so he would not die. He could not be found, because God had taken him away. Before he was taken, the Scripture says that he was a man who truly pleased God.”

Hebrews 11:5
